For our **July 20<sup>th</sup>, 2019** event we provided several radio programs supporting the 5th Central Florida Council **International Jamboree** & 2019 **International Cub Resident Camp** and we even linked up with the 2019 **World Scouting Jamboree NA1WJ** by streaming their web-cam while they were setting up. We had many scouts from Scotland and Canada. Thor guard (lightning) went off at 4pm which cut the evening short for a few hours.

We setup 5 tables with the CB Battleship game and SOS practice key/buzzers and a couple hundred scouts took turns playing against each other. Learning how to use a larger radio and communicating in sequence. Our HF tower was setup on 20 Meters and picked up several stations though couldn't get in contact with NA1WJ. Echolink was also demonstrated and well over 200 WRTC caps were given away. **Thanks to Larry, KN4LSY for helping out all day.**

Discounted CB radio's from Amazon Warehouse and Plexiglass from Tools Ace Hardware, WG.

Our next event will be **every Saturday in October** where we will be doing WiFi ARDF each weekend and have a blowout for the 19<sup>th</sup> for JOTA/JOTI (Jamboree-on-the-air).

**October 19<sup>th</sup>, 2019** Jamboree on the air (JOTA) is Scoutings largest world-wide event, all in one weekend. 1.8 million scouts, mostly in the Pacific, connect to exchange names and details and learn about radio. We broke national records last year with 1010 participants, lets see if we can get all 2000 and maybe more with overflow in Rybold. Perhaps LARA and OARC may bring their EMCOM trailers for more demonstrations?

**Spring 2020**

Quarterly camp events and vols, (April, July), TBD.

Orlando Hamcation fundraiser?

Troop level demonstrations at the unit level.

Co-Ordinated weekend Radio Merit Badge classes.

I'd like to get all the CFC Radio Merit Badge counselors on a unified schedule.

**Summer Camp 2020**

We need more instructors both youth and adult to assist with our first combo class. Goal is to have participants become future teachers of the class for scout led.

Our ARRL Foundation grant was approved to cover most of the costs of this class.

Still awaiting the ARRL Club Affiliation request to be confirmed.

We are always looking for Equipment and Monetary Donations.

**Cable:** 50 Ohm Coax, hardline, LMR400,

**HF gear:** transceivers, meters, beams/Yagi antennas

**Tech:** Computers, laptops, tablets, older android/apple phones.

**Other:** 10x10 Pop-ups.
